

## Technical School Scholarship Application

The Franklin Savings Bank Community Development Foundation Scholarship will be awarded to a senior planning to attend a 2 or 4-year College or University, preferably majoring in a technical related field. The scholarship can also be used to attend an accredited trade program or technical school for occupations such as welding/metal fabrication, composites, engineering, carpentry, forestry, plumbing, etc (*not intended for use outside of the trade/technical industry*). The scholarship will be paid out after the successful completion of the recipient's first semester.

Please return this application to your corresponding High School Technical Center Coordinator.
